WHAT TO EXPECT

The day will cover the Healthy Child Development Framework linked to the SEND and Inclusion Strategy, executive functioning skills and how it links to relational practice plus our two keynote speakers.

PRESENTING THIS YEAR, WE HAVE TWO ACCLAIMED SPEAKERS IN JENNY MOSLEY AND LUCIE LAKIN

Jenny Mosley was a teacher and a Masters lecturer for 15 years before becoming a freelance trainer and consultant who now works internationally and nationally. She runs highly acclaimed in-depth Train the Trainer courses – her most recent one was two years ago in Wales with the NHS Mental Health Workers along with teachers – a very innovative project.

Lucie Lakin is the Principal at Carr Manor Community School in Leeds which is one of the founding members of the Leeds Learning Alliance. The school offers an 'all-through' learning environment that is relationship-led, inclusive, collaborative and ambitious.
